Compassion

Our mind constantly turned to the Lord, we feel a vivid and everlasting
compassion,
Perfecting our mind and body, we accept the consequences of our actions,
With a clear and wise mind, we abandon all profane attachments,
To eradicate our greediness, we practice with sincerity and diligence.

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

A: To have an extremely vivid recollection of someone means that one always has the image of that person in one's mind.

Psalm

*Love and affection are inherent in the consciousness,
The fond memories always linger in one's mind,
Holding to the love karma, one is unable to free oneself,
With the vivid love, one only burdens one's heart.*
