Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

**Important News for VoVi Congress "COURAGE and PRACTICE" and VoVi Spiritual Concert,
September 27 – November 3, 2001**

Dear Vo-Vi Friends,

We would like to announce the following change about the group dinner on Saturday, November 3:

Since the Committee organizing the Vo-Vi Spiritual Concert will be extremely busy on the evening of the concert, we will organize a group lunch instead of a dinner after disembarkation at Port Canaveral (early morning), and before check in at the hotel (2-3pm) for those of you who have paid 10\$ for dinner. Before arriving at the Hotel, buses will take you to an Asian restaurant for lunch, and you will return to the Hotel for check-in afterwards. The official time for hotel check-in is 3PM, so you will avoid a long waiting.

After the hotel check-in, buses will take you from the hotel to Universal Studios. After the Vo-Vi spiritual concert, buses will take you back to the hotel. The dinner on Saturday, November 3, will be on your own.

We will remind you again about the details for Saturday Nov. 3 during our Congress.

Many thanks for your attention.

The Organization Committee for International Vo-Vi Conventions
