Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

Letter from the Editor

Voyages On Earth

“Voyages on Earth” is translated from the Vietnamese translation of the original Chinese spiritual document for readers to open their minds and try to understand many facets of truth. This book is a companion to the already published book “Voyages to Hell”. It serves to awaken many other human beings who don't know the law of cause and effect.

The Taiwanese use of mediums described in this book should not be confused with VoVi. For further information about the original version of this book, please write to:

THE IMPERIAL DECREE

The Angel Nguyen Quan

Communicates these words in a mediumnistic session:

POEM

*The supreme spiritual doctrine of the origin has spread everywhere,
The Temple of the Sages' disciples save tens of thousands of people,
Eliminate greed and anger, and the soul will be liberated,
Another holy book has been granted by Heaven*

The Saint-Messenger of God announces: Tonight, by the command of the Venerable Queen Mother of Heaven, I have come down to declare the Imperial Decree. All of the deities and disciples humbly prostrate and prepare to accept. All must respectfully obey the Imperial Decree and listen to the Venerable Queen Mother of Heaven counsel as follows:

"I, (Queen Mother of Heaven), from the palace *Dao Tri*, remember and miss my children. It is with a heavy heart with which I observe the worldly chaos and the degradation of spirituality. Therefore, by the will of heaven, on the first day of the fifth month, year of the Goat (1979), an assembly of the Trinity Council in charge of celestial, terrestrial and hell affairs was held at the Palace of Boundlessness. At that time, the decision was made to grant three holy books as follows:

1. **Voyages to Hell:** Its purpose is to describe the punishments for evil and encourage good actions.
2. **Voyages to Heaven:** Counsel people to strive to do external good deeds to build merits and to cultivate the heart-mind and amend the deficiencies in one's character.
3. **Voyages on Earth:** Its objective is to motivate mankind to perform wholesome deeds in order to understand the law of heaven and obey.

The law of heaven is immense. Therefore, one must accept the trials in order to test the fire of the kundalini psychic center. Only those who discipline the will and do not feel discouraged can accept the Celestial Edict. At the present, the Temple of the Sages has undergone many months of cleansing and purification. For the past half year, the Temple has been in danger of actions by evil spirits but has not become disheartened or discouraged and, therefore, is able to receive this extremely important mission.

I am extremely happy, at this time, and especially grant the Imperial Decree which gives Live Buddha Te Cong permission to guide Heaven's Pen, Thai Sinh's soul, to explore the realm of earth and write the extraordinary holy book entitled, "Voyages on Earth," never before seen. It is truly a sacred book that thoroughly comprehends and combines the three realms of Hell, Heaven, and Earth into one. The tradition of the spiritual principles, henceforth, shall be passed on eternally from one generation to the next. Hopefully, the disciples of the Temple of the Sages will always be able to maintain the good spirit of religion and perseverance - whether ten years or one day, from the beginning to the end, they will strive to bypass all hardships and misery. The date of completion (of the holy book) will be the date of judgment and reward."

(O Queen Mother of Heaven, we respectfully obey Thee without a moments delay. We thank Thee for Thy grace.)

THE CELESTIAL EDICT

The High Chamberlain of the Celestial Palace of God, Kim Khuyet Surname Tu
Communicating in a mediumnistic session

POEM

*One set of precious bible descends to earth,
The Books of Voyages are like medicine from the Saints,
The Trinity Councils in Heaven deliver mankind from unhappiness,
leaving behind eternally their good name,
Another precious book for the disciples to view.*

The Saint-Messenger of God proclaims: Tonight, by command of His Royal Highness, I bring with me the Celestial Edict from the Celestial Emperor and Supreme God, which reads as follow. All of the deities and disciples humbly prostrate and prepare to accept:

"I (Emperor of Heaven), from my palace in the Ethereal Heights, often contemplate the spiritual disposition on earth. I see mankind of the three realms only value science and technology while forgetting morality and virtues to the point where men lack loyalty and filial piety, and women lack chastity and fidelity. Angels, Saints, and Buddhas cannot bear to see mankind deteriorate, their souls miserable. Therefore, by the order of heaven, they have assembled on the first of day of the fifth month, year of the Goat (1979) at the convention of the Saints, and have motioned to complete the books: Voyages to Hell, Voyages to Heaven, and Voyages on Earth to be distributed on earth. Two of the three books: Voyages to Hell and Voyages to Heaven have already been disseminated on earth. However, similar works such as those are not lacking; only the book, Voyages on Earth, is unique and rare since it requires someone with great strength and will power. Only when such a person whole-heartedly pledges to accept such a task, can it then be done. Therefore, the disciples of the Temple of the Sages have gone through half a year of faithfully enduring the extraordinary training of the spiritual doctrines. Now, the danger has ended, and the Temple has demonstrated exceptional religious faith. The faith of maintaining the spiritual path has culminated in deep roots and a firm foundation.

My heart is full of joy as I especially declare the commencement of the book, "Voyages on Earth," to provide thorough comprehension of the three realms of earth, heaven, and mankind, as well as provide the means for cultivating virtues. The promulgation of the Edict has been declared. The day that the Edict comes, each time the oracle altar is set up, I give order for Live Buddha Te Cong to guide Heaven's Pen, Thai Sinh's soul, to explore the visible and invisible realm of earth and to write the precious holy book never before been available. It shall be a present to the world to guide the practitioners on their spiritual quest.

Hopefully, the disciples of the Temple of the Sages will kindle their will, their strength, and remain wholly loyal in fulfilling this mission. The day of completion of this holy book shall be the date of judgment and reward. Do not disobey my command.

(O God, we obey Thee without negligence. We bow our heads and thank Thee for Thy grace.)
