Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

Q: How does the Lord spread the pure energy?

A: The Lord spreads the pure energy through the pure light of serenity and compassion.

Psalm

*Pure energy shines brilliantly from Great Compassion,
Releasing the impurities, we advance wisely and
remind ourselves on our own,
Understanding the spiritual depth after having learned
the lessons,
We dissipate our intolerance and blinded passions,
and remind ourselves on our own.*

Atlantic City, 1 September 2003, 1:40 AM

Q: How can we prove the existence of the pure light of serenity and compassion?

A: To prove the existence of the pure light of serenity and compassion, we should look straight at the sunrise which is always softening and ready for infinite deliverance. Our heart and mind will feel joy, peace, and lightness.

Psalm

*Everywhere, divine love provides infinite guidance,
Divine grace occurs through transformations and
provides timely deliverance,
With infinite flexibility, The Lord provides good
opportunities for deliverance,
The whole universe evolves within silence.*

Atlantic City, 2 September 2003, 11:00 AM

Q: How do we know the level of our progress?

A: We know the level of our progress by practicing the spiritual method in a righteous manner.

Psalm

*We know the level of our progress through spiritual
practice,
Practicing with sincerity and diligence, we clearly judge
matters on our own,
Following an orderly life path, we advance with a wise
and clear mind,
Developing ourselves spiritually, we lead a quiet life.*

Atlantic City, 3 September 2003, 5:00 AM

Q: Why does the path of spiritual evolution get shortened?

A: The path of spiritual evolution gets shortened because the practitioner has a mission.

Psalm

*The spiritual path can be shortened on earth,
Those who misunderstand earthly matters are
deluding themselves,
Those who do not practice the original principle can
hardly transform themselves and advance spiritually,
Accepting with a sincere heart, we turn within to learn
compassion.*

Atlantic City, 4 September 2003, 1:40 AM

Q: *Does the use of deceit and artifice bring any benefit?*

A: Those who use deceit and artifice will be punished by the law of karmic causality.

Psalm

*Deceit and wile bring no benefit and imprison oneself,
Burdening one's heart and mind, one cannot change
direction,
With constant lessons, the mind remains agitated,
Releasing our blinded passions and intransigence,
we'll improve our spiritual path.*

Atlantic City, 5 September 2003, 2:00 AM

Q: *Why are we happy?*

A: We are happy because we have reached equilibrium and inner balance by our own efforts.

Psalm

*We rejoice for having reached equilibrium,
With a flexible mind, we see our path of evolution
clearly,
Succeeding with our own efforts, we return to our
origin,
With a calm heart, we achieve serenity and clearly
analyze matters on our own.*

Atlantic City, 6 September 2003, 1:00 AM

Q: *What should we do in order to turn our heart and mind toward the Lord and Buddha?*

A: To direct our heart and mind toward the Lord and Buddha, the correct way is to focus first on our cranial psychic center, then to think about the Lord and Buddha.

Psalm

*Let's turn toward the greatness of the Lord and
Buddha,
Infinite divine grace is the clear direction of the Lord,
Evolving within lightness, our thoughts are
everywhere,
Practicing the true dharma thoroughly, we will
understand the words of truth clearly.*

The attached translation is a rough draft of Muc Be Tam from the current Vietnamese LED Weekly version, that is prepared especially for English-speaking Vô-Vi fellow practitioners by the English Translation Team.

The Editorial Staff strongly suggests that the document is not to circulate outside the Sunday discussion group, to maintain the accuracy of Master's teaching. A final edited version will be formally published at a later date.
