Reunion

Regaining human compassion, we return to the true laws,
Developing our spiritual energy, we awaken our consciousness and smile
silently,
Infinitely, we learn in all spheres and domains,
With God's love and guidance, our heart is turned to God.

*Respectfully,
Vi Kien*

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

A: To be resolute to perfect ourselves spiritually will bring great benefits to our mind and body.

Psalm

*Resolute to perfect ourselves spiritually, we dissipate
worries in our heart,
Practicing the true dharma, we regain tranquility
naturally,
Understanding both social and spiritual matters
thoroughly, we advance faithfully,
Releasing our impurities, we return to our pure origin
and our consciousness evolves easily.*

Q: *Which level should we attain in order to truly understand all matters?*

A: We should attain the level of lightness and purity in order to truly understand all matters.

harmony on our own,
With a calm heart and serenity, we turn within for a
clear analysis,

Returning to the teachings of Buddha, we will release
our impure energy and understand many matters
clearly.*

willing to transform ourselves,

spirituality,
Without waiting long, we will see ourselves clearly,

our agitation,
With peace and joy, we will be reunited and keep a
loyal heart.*

The attached translation is a rough draft of Muc Be Tam from the current Vietnamese LED Weekly version, that is prepared especially for English-speaking Vo-Vi fellow practitioners by the English Translation Team.

The Editorial Staff strongly suggests that the document is not to circulate outside the Sunday discussion group, to maintain the accuracy of Master's teaching. A final edited version will be formally published at a later date.
