Infinite Guidance

With God's infinite guidance, we will return to our pure origin and perfect our spiritual consciousness diligently on our own,
Through self-awakening, we will surmount all obstacles on our own,
Unifying our human compassion, we will return to the same single origin,
With a calm heart, we cultivate our serenity and do not discriminate among noble or lowly.

*Respectfully,
Vi Kien*

Baby Tam Talking To You

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam

Q: *What do we lack that are necessary?*

A: We lack things which are related to our body.

Psalm

*We have needs that are necessary for our body,
They are related to nature as well as heaven and
earth,
With a constant adaptability, we practice to attain
knowledge and vital energy,
Working constructively together, our heart and mind
will pass the test.*

San Diego, 11 February 2005 6:00 AM

Q: *Is there any harm if there is a lack of relationship?*

A: If there is a lack of relationship, it will be disadvantageous when we need it.

Psalm

*If there is a lack of relationship, we will cause affliction
to ourselves,
When needed, the relationship helps to transform our
spiritual consciousness,
Returning to our pure origin on the path of divine
opportunity and divine guidance,
We undergo infinite transformations and practice the
silent invocation of the Nam-Mo mantra to advance
into the divine sphere.*

San Diego, 12 February 2005 4:20 AM

Q: *Is there any harm if we lack oxygen?*

A: If we lack oxygen, our body will be unable to move.

Psalm

*Lacking oxygen, one cannot be alive,
The energy will leave the body and cannot
resuscitate it,
As the body lies still in one place, the mind is
obscured,
In spite of transformations, the soul remains inactive.*

Sydney, 13 February 2005 2:20 PM

Q: *Are people sad when they lack money?*

A: People are very sad when they lack money.

Psalm

*Everyone is sad when he lacks means,
Sadness shows in the afflicted mind and the
discontent heart,
Due to agitation, one can no longer work
constructively,
Those who practice spiritual cultivation with a sincere
heart will no longer have any sorrow.*

Sydney, 14 February 2005 12:50 AM

Q: *When the soul descends on earth with two empty hands,
what will it bring back on its return?*

A: When the soul descends on earth empty-handed, it will return with two empty hands.

Psalm

*Descending on earth, the soul is empty-handed,
And it will return with two empty hands,
Freed of sufferings and worries, there is no need for
further entanglements,
Evolving spiritually with a sincere heart, we follow the
law of cause and effect.*

Sydney, 15 February 2005 4:24 AM

Q: *Why are humans agitated?*

A: Humans are agitated because they fear poverty.

Psalm

*Worried about poverty, they are sorrowful and agitated,
Living in misery, their minds are afflicted and their hearts tormented,
Due to agitation, their minds cannot be wise and clear,
Those who practice spiritual cultivation with sincerity do not worry about poverty.*

Sydney, 16 February 2005 3:05 AM

Q: *Why do people have to be poor?*

A: People have to be poor because they lack wisdom.

Psalm

*Lacking wisdom, people are angry and passionate and have difficulty to harmonize,
Unable to practice spiritual cultivation, they do not make progress and have difficulty to surmount their difficulties,
With a needy and agitated life, they have difficulty to resolve their difficulties and reach harmony,
When the heart is agitated and restless, one cannot advance far.*
