Truth and Falsehood

It is a fact that truth and falsehood are mixed up in the human world,
We should purify ourselves and need not to worry,
Practicing with diligence, we will awaken ourselves and slowly understand with our
own efforts,
Cultivating ourselves equally on the earthly and spiritual planes, we will receive the
divine Grace.
Respectfully,
Vi Kien

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam
