Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,

Baby Tam
