Accomplishment

When things are accomplished, everywhere we see harmony,
With a true consciousness, we succeed on our own and communicate with
the Lord on our own,
Practicing thoroughly, we awaken our consciousness on our own to return
to the old land,
Developing ourselves, we will achieve tranquility on our own.

Baby Tam Talking To You

From 3 October 1999 to 9 October 1999

Dear Friends,

The Be Tam's Self-Dialogue is written with an **EMPTY** heart, and is closely connected to the benevolent energy of the Great Compassion. It is also a remedy for mental disorders, capable of releasing impure energy from the heart, the liver, and the kidneys. One should not shorten or edit any section; those sincerely devoted to spiritual perfection will understand the deep philosophy of Be Tam's writings.

I hope that you will practice in a righteous manner to truly understand the evolution path of the spiritual consciousness.

Respectfully Yours,
Baby Tam

Q: *Since long ago can evil spirits destroy the subtle dharma?*

A: Demons and evil spirits always want to destroy the spiritual path, because being a true spiritual adept means losing power and material gains on earth.

Psalm

*Without harmony, they cause suffering in their own
consciousness,
Arguing about praise and blame causes a restless
mind,
Creating karma, they have difficulty to practice and their
heart is narrow,
Ruminating the same matters only harms their
consciousness.*

Q: *Is there any benefit when one takes advantage of Vo-Vi, committing wrongdoings to fulfill one's greediness and lust, and slandering Vo-Vi for one's own interests?*

A: Those who do wrong will harm both their mind and body. They will create a bad habit for both their mind and body, and they will have difficulty to cultivate themselves spiritually and reach harmony.

Psalm

*Doing unkind deeds will cause harm to oneself,
Harming oneself and others, one neither weighs nor
analyzes,
When the brain is not serene, one is unable to achieve
the spiritual opportunity,
Causing all kinds of conflicts, one has difficulty to judge
and analyze.*
